

Building Beyond the Browser

Low-code native apps and the Community

About Me

- Software Engineer, Entrepreneur, Author
- Enlightenment, Maven contributor
- Founder of Fyne project
- Go developer since 2018
- CEO Apptrix.ai

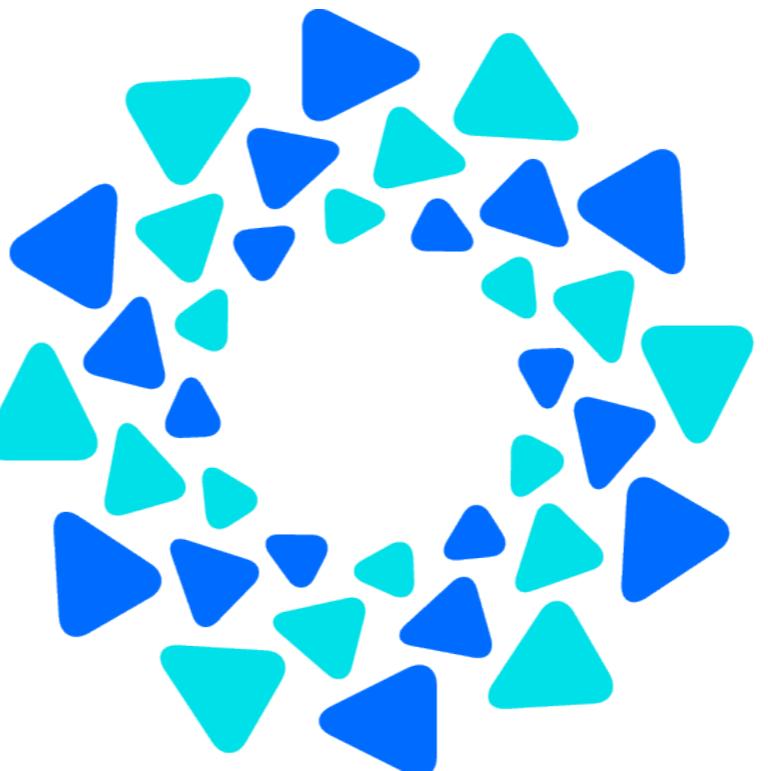

Startups and Community

App Development was Broken

Fyne Project

- Write once, run anywhere!
- No user libraries or setup
- Native apps, store support
- Easy to get started
- Promoting good engineering

fyne

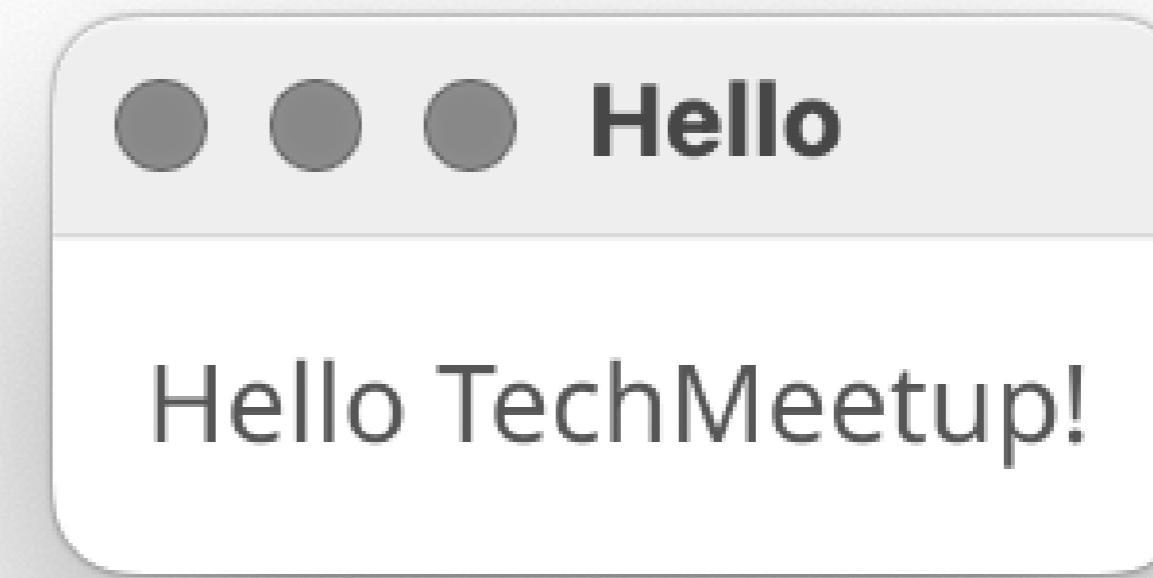

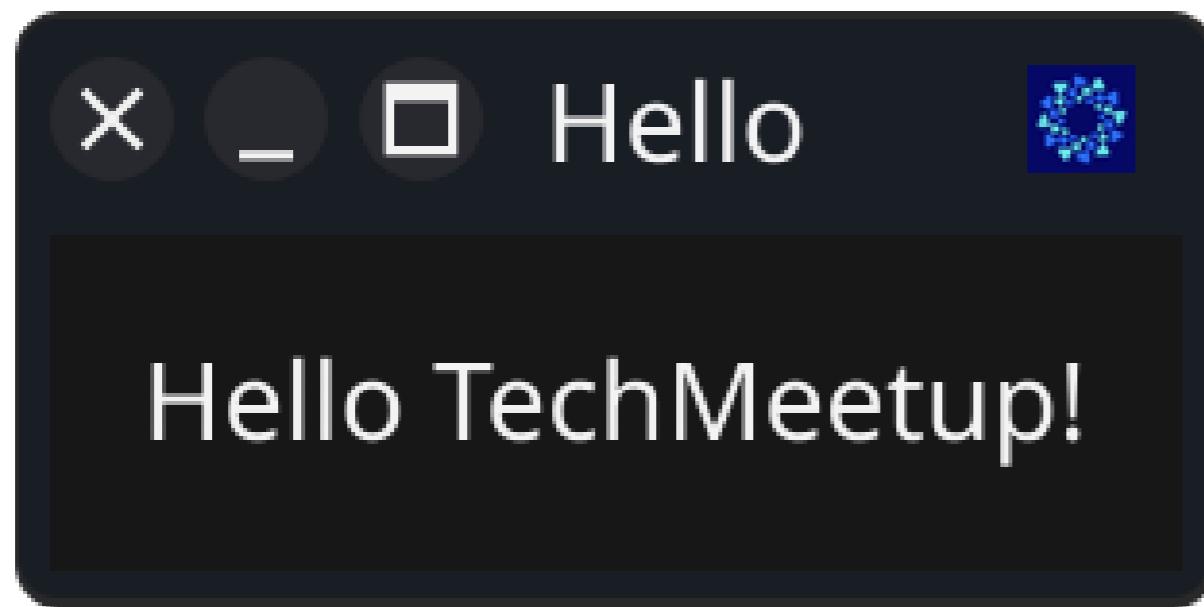

Fyne Stats

- 7.5 years old

Fyne Hello World

```
1 package main
2
3 import (
4     "fyne.io/fyne/v2/app"
5     "fyne.io/fyne/v2/widget"
6 )
7
8 func main() {
9     a := app.New()
10    w := a.NewWindow("Hello")
11
12    w.SetContent(widgetNewLabel("Hello TechMeetup!"))
13    w.ShowAndRun()
14 }
```
